

ASID Texas 2011 Student Symposium **INTERIOR DESIGN BOOT CAMP**

October 14 & 15, 2011 | Dallas, Texas | www.asidtxstudentsymposium.org

Attention all Interior Design **Students** & the valuable **Instructors** who guide them –

Autumn will soon be underway, so that must mean that it's time to get ready for the ASID Texas Chapter's Student Symposium. This annual event exposes budding design industry members from schools all over Texas – as well as some from Oklahoma, Louisiana, New Mexico and Arkansas – to the real world of interior design, all while bringing them together to learn from established professionals and industry members.

We are pleased to let you know that this year's event is stronger and smarter than ever, and it will take place on Friday, October 14 & Saturday, October 15, 2011, **in conjunction with Decorative Center Dallas Celebration of Design**, which starts Tuesday, October 11. In fact, the two-day affair is so big that we have an entire website dedicated to it:

www.asidtxstudentsymposium.org

For **FUN**, we are playing off the concept of boot camp in the planning of this two-day event. For the **FUTURE OF YOUR CAREER**, however, we are creating an incredibly opportunity-rich experience especially for you to **BE EXPOSED** to this amazingly diverse industry, **INTERACT** with successful professionals, and **PROVE TO YOURSELF** your passion for this industry beyond what's required in the classroom.

We encourage you to visit the fun, informative website, where you will see how many valuable opportunities the Student Symposium Committee is creating for you, as well as the notable figures – including **Charrisse Johnston, ASID, LEED AP, Assoc. AIA, interior designer with Gensler's Los Angeles office**, recent ASID Society Board Member and current ASID National Emerging Professionals Advisory Council Member – who have agreed to devote their time and expertise to shape the future of our industry - i.e., **YOU!**

You will also see that there is dedicated time when all member groups – i.e., Industry Partners, Educators, Practitioners and Students – will have the chance to establish crucial connections.

VERY IMPORTANT: MARK SATURDAY, OCTOBER 1 ON YOUR CALENDAR IN RED.

Why? It's the deadline for...

- **Student Design Competition entries** [Awards & cash prizes and six categories.]
- **Student Scholarship applications** [Over \$4,000 is waiting for you.]
- **Student Symposium hotel discounts** [A \$50 per room savings is pretty significant.]
